Dear City of Wilsonville,

My name is Jennifer Arritola and I am a resident in the Charbonneau District. I understand the petition to lengthen the Aurora Airport runway is under review. I recently learned that some residents of Charbonneau came to the latest board meeting and said they represented the 2000+ Charbonneau residents and they are against the lengthening of the runway. I have not been approached or talked to about my opinion of the lengthening of the runway. I would like it to be known and on record that I am completely in favor of the lengthening of the runway at the Aurora Airport.

Thank you for your time.

Sincerely,
