Subject: Airport lengthening

November 22, 2018

Dear City of Wilsonville,

Thank you for taking the time to look into the planned 1000 foot runway lengthening improvement at the Aurora Airport.

Please register my strong support for this runway lengthening and for the substantial increase in safety it will provide to the aircraft operating off the Aurora Airport and to the surrounding areas. I am a private pilot and use the airspace and airport all of the time. Your attention to this matter is wonderful for aviation, safety of pilots and the citizens in our communities.

Thank you.
