SPEAKER SERIES

ERIKA PHAM

Resident/DEI Committee Chair

"LGBTQIA+:
UNDERSTANDING AND ALLYSHIP"

Gender and sexual orientation are concepts with varied meanings across time and cultures, and they are evolving rapidly today. Erika Pham leads a conversation that discusses the meaning of these concepts and how they differ, and that also addresses how to be an ally to someone who is LGBTQIA+. By having an open mind and seeking understanding, allies help LGBTQIA+ community members feel safe, valued, and included.
