RE: Proposer Selection - Short List

The City has received four responsive proposals for the Owner’s Representative and Construction Management Services for the Public Works Complex Request for Proposals. In accordance with *Part 7: Selection Process* of the Request for Proposals, the technical review committee has convened to evaluate each of the proposals. The committee has elected to short list two of the respondents for formal interviews. The two respondents that have been invited to conduct interviews are CBRE and Plan B.

The City of Wilsonville would like to thank all parties that took time to prepare a formal proposal for this project. We understand the amount of time and effort this involves and appreciate your participation in this process. The City will formally advise all parties as to its final selection after the interviews are completed.
