RE: Proposer Selection - Short List

The City has received three responsive proposals to the Request for Qualifications for Affordable Housing Development Teams for the Wilsonville Transit Center Transit-Oriented Development (TOD) Project. In accordance with the RFQ Process Overview, the selected committee has convened to evaluate each of the proposals. The committee has elected to short list all three respondents for participation in a Request for Proposals (RFP) process. The three respondents that will be invited to participate in the RFP process are Gorman & Company, Palindrome, and Reach Community Development Inc. and Farmworker Housing Development Corporation.

The City of Wilsonville would like to thank all parties that took time to participate in the RFQ process for this project.
