City of Wilsonville

Payroll and Self Employment Transit Tax Information

1. What is the Wilsonville Transit District Tax?

SMART (South Metro Area Rapid Transit) provides transit services within the community and outlying areas such as Canby, Salem and the southern portion of Portland. The Transit Tax was established to finance the locally operated SMART system by City Ordinance 340 in December, 1988, and later revised by City Ordinance 360 in November, 1989 (copies of the ordinances are available upon request).

2. What is the Transit Tax rate?

The SMART tax rate is 0.005 effective October 1, 2008.

What is the City of Wilsonville transit system tax boundary?

The Wilsonville Transit District boundary is the city limits of Wilsonville (including the Charbonneau District).

3. What is the difference between Wilsonville Transit District Payroll Excise Tax and Wilsonville Transit District Self-employment tax?

The excise tax is paid by the employer. The self-employment tax is paid by the self-employed person.

4. How do we determine self-employment income?

Self-employment earnings are those reported on your individual federal Schedule SE, line 3, as defined in RC 1402. If a taxpayer has more than one business included on federal Schedule SE, only include those businesses from line 3 of your federal Schedule SE that have net earnings. Do not use a business with a net loss to offset a business with net earnings.

5. Who must file and pay?

All employers, including nonresident employers, who are paying wages (as prescribed by ORS 267.380) earned in the City of Wilsonville must register and file with the City of Wilsonville Tax Department. Wages include all salaries, commissions, bonuses, fees, payments to a deferred compensation plan, or other items of value.

6. Are 401k plans included in the Wilsonville transit district payroll?

Yes, contributions to deferred compensation plans are subject including contributions to 401k retirement plans made at the election of the employee and matched by the employer.

7. Are Section 125 cafeteria plans subject to the Wilsonville transit tax?

No, Section 125 cafeteria plans are exempt from the Wilsonville transit tax.

8. How are the transit taxes determined on truck drivers, salespeople and construction?

Employees, who are subject to withholding tax, are subject to Wilsonville transit tax. If an employee only works a portion of the time in the Wilsonville transit district, then only that portion is subject to the tax. Wilsonville transit taxes are determined by where the work is physically performed including jobsites and home locations.

9. Are real estate salespeople subject to Wilsonville transit tax?

Yes, they are treated as self-employed; therefore, commissions on sales within the Wilsonville transit district boundaries are subject to the transit tax through the individual's net earnings from self-employment.

10. Are wages paid to church employees subject to Wilsonville transit tax?

No, churches are exempt from paying Wilsonville transit taxes.

11. Are non-profit organizations subject to transit taxes?

Not all non-profit organizations are exempt from the Wilsonville transit tax. Only the organizations with 501(C)3 status are exempt. Non-profit organizations will need to send in a copy of the IRS determination.

12. Apportionment of Tax

Employers located outside of the Wilsonville transit district are subject to payroll and self-employment taxes if any employee, commission merchant, or commission employee does business in the Wilsonville transit district. Taxpayers do not pay both Wilsonville Transit Tax and Tri-Met Tax on the same taxable wages if work is done in both districts then the taxable wages should be prorated and the applicable amounts paid to each district.

13. Is there a minimum payment?

If the tax due for a quarter is less than \$20 payment can be deferred until the end of the year; however, the quarterly transit tax return needs to be submitted showing the amount due with no payment; otherwise, the account will be considered delinquent and subject to penalties and/or interest. Sole proprietors can pay at year-end or make estimated quarterly tax payments.

14. What are the penalties and interest?

Late payment or non-payment will result in a penalty of 10% of the tax due for accounts up to 30 days past due. An additional penalty of 15% will be assessed on accounts over 30 days past due. Fraudulent tax returns or intent to evade will result in an additional 25% penalty interest shall be assessed at the rate of 1.5% per month. Legal fees and costs associated with the collection of tax will be the liability of the taxpayer.

Still have questions?
