Summer Reading Program underway

Read Off the Beaten Path this summer with the Summer Reading Program. This program is open to all ages and centers around this summer's camping theme. You'll see theme-related displays and programs this summer, along with a variety of topics to encourage you to read outside of your usual subjects and genres.

There are three ways to play: a Reading Log, a Science Log, and a Bingo Card. Complete a log or Bingo Card and get entered into one of our fantastic prize drawings, as well as receive a coupon to the Twice Sold Tales used bookstore in our lobby.

Pick up the logs at the library, or download them from our website:

Short Story Contest for all ages

Coming in August is our 3rd annual Short Story Contest!

Writers of all ages are invited to submit short stories (up to 1,500 words) to be judged by a panel of WVPL's expert librarians for creativity, style, and voice. Winners from each age group will receive prizes, have their stories published on the Library's website, and most importantly—receive bragging rights!
